## THE CONGREGATIONAL CHRISTIAN CHURCHES

**Form** — Congregational Christian Churches are bodies of self-governing Christian believers organized on a democratic basis in close association with a great body of similar churches throughout the world, covenanting together for worship, work, and fellowship.

**Origin** — Congregationalism has been implicit in Christianity from the beginning, but did not emerge in its present corporate form until in England, in the sixteenth century, the pressure of state control of religious worship forced into separate existence that part of the Church in which Congregational principles were cherished.

The Christian Churches originated spontaneously in several parts of the United States in the latter part of the eighteenth century. In each instance the movement was directed toward freedom from excessive ecclesiastical authority over local churches and ministers.

**Principles** — The Congregational Churches are characterized by their faith in God, their fellowship in Christ, and their freedom in the Spirit.

**Practice** — Acknowledging Christ as the only authoritative head of the Church, Congregational Christian Churches exalt nothing trivial or sectarian, repudiate dogmatism and all legislative control of the spiritual life, regard a living Christian faith as the only prerequisite for church membership, and seek to develop in the church educational efficiency, evangelistic zeal, and unselfish devotion to the extension of the Kingdom of God.

**Achievements** — Congregationalism sailed to America in the Mayflower as the church of the Pilgrim Fathers. Settling first at Plymouth, then later fusing with the Puritan colonists that followed them, these founders of Congregationalism spread over New England, and through their democratic ideals laid the foundations for the free church, the free state, the free school, and the free social life of our country. The Congregational Churches have been the pioneer Protestant churches of our nation in the promotion of education, missions, evangelism, and in most movements for Christian union, religious progress, and social reform.

While the Christian Church originated later, and while its numbers and resources have not been so large, its ideals and principles have been identical with those of the Congregational Churches.

**The Local Church** — The local church is self-administering and is the final arbiter of all questions relating to its own life.

**The Association** — A church is recognized denominationally by securing membership in some association of churches, usually consisting of from ten to fifty such churches, located in geographical proximity to one another. These associations are charged with the holding of ministerial credentials for ordained ministers and the performance of common Christian service in behalf of their component churches.

**The State Conference** — The state or district conference is made up of the churches within its bounds holding membership in the several associations. Mutual helpfulness to all the churches, and the carrying forward of church extension and missionary work within its own borders, are the functions of the conference. Usually the conference maintains a paid superintendent and a central office.

**The General Council** — What the State Conference is to the state the General Council is to the nation, with appropriate variations. It also becomes the unifying agency for co-ordinating the organization and work of the missionary societies. (See following pages.)

## GENERAL COUNCIL ORGANIZATION

The General Council of the Congregational Christian Churches was organized on June 27, 1931, at Seattle, Washington, for the purpose of carrying on the functions hitherto performed by the National Council of the Congregational Churches and the General Convention of the Christian Church. The older organizations continue their formal existence for the time being for possible legal requirements. Details of organization will be found on the following pages.

### PURPOSE

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the Kingdom of God; to co-operate with any corporation or body under control of or affiliated with the Congregational Christian Churches and to do and promote the work of these churches in their national, international and interdenominational relations.

### FUNCTIONS

As the name indicates, the General Council is a voluntary organization of Congregational Christian Churches for the purpose of conference regarding their common interests. The central function of the Council is to provide a gathering for useful discussion of questions of concern to the churches, and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches. Specifically, the Council provides for gathering and publishing annually the statistics for the churches as given in this Year Book. For the purpose of stimulating fellowship and of co-ordinating the various agencies, offices are maintained with a small staff of secretaries.

### MEMBERS

Each State Conference or similar organization of churches is entitled as such to elect a delegate at large for the first full 5,000 members and an additional delegate at large for each successive 5,000 members or major fraction thereof. The Superintendent of each Conference is *ex officio* a delegate. Each Conference also is entitled to "unit" delegates, elected according to rules set forth in the Constitution to the number of one to every 1,000 members, approximately.

### EXECUTIVE COMMITTEE

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging and submitting programs for the meetings, and seeks to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency. This committee is also the agency for correlating the activities of the several Commissions.

### COMMISSIONS

The Commission on Evangelism and Devotional Life maintains an office for service to the churches in the vital field indicated by its name. There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such co-operation with the executive agencies of the denomination as seems feasible.

### MISSIONARY SOCIETIES

The American Board of Commissioners for Foreign Missions and the Board of Home Missions of the Congregational Christian Churches have as their controlling membership the membership of the General Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these societies is in large majority identical with that of the General Council, so that in matters of common concern action taken by the General Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the missionary societies the instruments of the churches themselves.

### MEETINGS

Meetings of the General Council are held biennially in the even numbered years. The next meeting will be held at Grinnell, Iowa, in June, 1946.

It is composed of seven active and twenty corresponding members elected by the General Council and is charged by the General Council to do two things.

*FIRST:* To bring before the churches the denominational program of evangelism and devotional life.

Fagley; Associate Secretary of General Council; Merle Easton, and Mildred Widber, Secretaries of Division of Christian Education of The Board of Home Missions. *Ex officio* — Cabinet Members: Truman B. Douglass, Ray Gibbons, Fred Field Goodsell, Douglas Horton.

## Organization

1. *Membership.* The Missions Council consists of the thirty-six elected members together with the President and the Vice-Presidents of The Board of Home Missions, the thirty-six elected members with the President and Vice-Presidents of the American Board and the eighteen members of the Council for Social Action, and the Secretary of the General Council, *ex officio*.

2. *Joint Cabinet.* The work of the Missions Council is administered by the Joint Cabinet, thus providing the Minister with a connecting link to the administrative heads of the National Societies and of the State Conferences.

Article IX of the Rules of the Missions Council provides that the Minister of the Missions Council, the Executive Vice-Presidents of The Board of Home Missions and of The American Board, the Director of the Council for Social Action, the Minister of the General Council, the Associate Executive Secretary who shall be a woman, and one State Superintendent elected by the State Superintendents' Conference as hereinafter provided shall constitute the Joint Cabinet of the Missions Council. This Cabinet meets regularly. It is responsible for formulating promotional plans and policies and is the connecting link between the executive boards and the promotional staff.

3. *Ad Interim Committee.* The Ad Interim Committee is composed of fifteen persons chosen as follows: Two members of the Board of Directors of The Board of Home Missions designated by The Board of Home Missions, two members of the Prudential Committee of the American Board designated by the Prudential Committee, a member of the Council for Social Action; the Chairman of the Missions Council, two State Superintendents elected by the State Superintendents' Conference, and the Chairman of the Women State Presidents. The Minister of the General Council, the Minister and Associate Executive Secretary of the Missions Council, the Executive Vice-Presidents of the Boards, and the Director of the Council for Social Action are corresponding members.

4. *Joint Staff.* The Joint Staff operates under the chairmanship and direction of the Minister and includes the secretaries of missionary education and promotion of the national boards, with two representatives from the Conference of State Superintendents and the Chairman of the Women State Presidents.

## Processes

1. *Meetings.* The Missions Council meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Board of Directors of The Board of Home Missions and of the Prudential Committee of the American Board and the Council for Social Action, thus economizing in time and travel expenses. At the annual midwinter meeting the Survey Committee of the General Council, the State Conference Superintendents, the Women State Presidents and secretaries of the societies sit with the Missions Council in joint session as corresponding members.

2. *Literature.* One of the important functions of the Missions Council is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the direction of the Minister the members of the Joint Staff co-operate in a unified program of education and promotion. This work is conducted through the state organizations and endeavors to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

## Information

The support of our Mission Boards depends upon current gifts, legacies and the income from invested funds. Through the Missions Council, donors, lawyers and trust officers are supplied with confidential and impartial information concerning the financial standing, fields of work, needs and opportunities of any or all Congregational Christian Corporations, including the General Council and its Commissions, the home and Foreign Missionary Boards, State Conferences, city extension societies and the local churches.

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally are invited to communicate direct with the Missions Council.

WALTER P. SCHMITTER, MR. GIDEON SEYMOUR, MISS MARY STEARNS, MRS. JAMES P. STIMSON, REV. ROGER E. TREAT, MR. SARGENT H. WELLMAN, MISS ELIZABETH J. WELLS, MRS. GEORGE R. WILSON.

The A. B. C. F. M. is the mother of foreign mission boards in North America. Founded in 1810 to make possible the realization of the vision of the men of the Haystack, it immediately invited the Presbyterian General Assembly to form a similar society with which it could co-operate, but the Assembly replied that one organization of the sort was enough and "urged its churches to adopt the American Board as their foreign missionary agency." The Baptist Missionary Union was formed when some of the first American Board Missionaries became Baptists. By 1826, the Presbyterians and the Reformed Church in America had developed the United Foreign Missionary Society, which in that year was merged with the American Board. The process of segmentation began in 1837 when the "Old School" Presbyterians left the American Board, followed in 1839 by the Central and Southern auxiliary boards. In 1846, "because of differences of opinion as to the Board's attitude toward slavery, some members withdrew to aid in organizing the American Missionary Association." In 1857, the Reformed Church in America withdrew to form its own Board and in 1870, the "New School" Presbyterians rejoined their "Old School" associates and transferred their support to the Foreign Mission Board which they had formed.

The American Board maintains missions in East, West and South Africa, China, Japan, India, Ceylon, the Philippines, Micronesia, Mexico, Bulgaria, Turkey, Greece and Syria.

The spread of warfare and increasing tensions during 1944 seem to be leading toward the most thorough test which the work of the Board has ever faced. In our fields in East Asia and in Europe, missionaries have largely either been forced to withdraw, or interned or restricted in their activities. Christian churches and institutions have very largely been deprived of American support. This process may extend to other fields. We believe the Christian community will emerge from the valley of the shadow of war intact, possibly reduced in numbers, but strengthened in spirit. The fields in Free China, India, Africa, Turkey and Syria,

and Mexico which have not yet been seriously affected report increased calls for service and new opportunities, especially in education. The years of patient preparation of national leaders for the regular programs and these crisis days seem to be bearing fruit.

The 135th fiscal year of the Board ended August 31, 1944 with a surplus of \$5,130.20 after making supplementary appropriations of \$50,688 before the closing of the books. The budget for the year was made in two sections, the Administrative Section totalling \$989,995.90 containing items to which the Board was committed, and a Supplementary Section of \$40,830 for urgent needs but for which no definite commitment could be made until sufficient money was in hand. When it became clear at the end of the year that the receipts of the Board would make possible additional appropriations, this supplementary section of the budget together with new needs that had arisen during the year was considered and appropriations totalling \$50,688 as noted above were made.

The total receipts for the regular budget amounted to \$1,026,055.56 which with \$119,700.41 of specially designated gifts makes a grand total of \$1,145,755.97. The gifts from the churches increased this year by 4.8% making the third consecutive year of increase. This is due to the efforts of the Missions Council in promoting the rise in the general level of apportionment giving, and also to the continued help of the Woman's Gift. We are gratified also at the increase in the gifts from individual donors which reached a total of \$92,030.28.

### Statistical Summary

The American Board is responsible for a foreign parish of 41,413,462 people. There are 13 missions under 8 different flags. The missionaries under life appointments are 337 and include 80 ordained men, 33 unordained men, 108 wives and 116 single women. *The Council for Social Action* was created by the General Council at Oberlin in June, 1934. The motivating spirit behind that action is clearly indicated in the words of the vote:

"Stirred by the deep need of humanity for justice, security, and spiritual freedom and growth, aware of the urgent demand within our churches for action to match our gospel, and clearly persuaded that the Gospel of Jesus can be the solvent of social as of all other problems, we hereby vote:

"That the General Council create the Council for Social Action of the Congregational and Christian Churches of the United States of America.

That the purposes of this Council for Social Action shall be to help the churches to make the Christian gospel more effective in society, national and world-wide, through research, education, and action, in co-operation with the Home and Foreign Boards, Conferences and Associations, and local churches. It is proposed that the Council shall increasingly co-operate with the Federal Council of Churches in the creation of a program which shall be genuinely interdenominational. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life; its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion; in *action*, the Council may, on occasion, intercede directly in specific situations.

"That in launching this Council for Social Action we envisage a new kind of churchmanship which, enlisting the volunteer services of a group of eighteen outstanding men and women of social vision, wisdom, and Christian purpose, and commanding the services of five or six strong leaders in the fields of international relations, race relations, and economic statesmanship, will carry the campaign of education and action based on careful research out among our entire constituency at home and abroad. Believing that the church will find itself as it loses itself in the struggle to achieve a warless, just, and brotherly world, we launch this venture, dedicating ourselves to unrelenting work for a day in which all men find peace, security and abundant life."

*The Council for Social Action* invites each church to organize a local committee or council for Social Action and welcomes the opportunity to co-operate with such local groups in planning for the larger effectiveness of the social program of the church.

The Council for Social Action invites correspondence from ministers and laymen.

Contributions in the form of gifts and legacies are urgently needed to help in paying the churches' share of the annuities of the older members. ### PILGRIM MEMORIAL FUND

Established by vote of the National Council, October 13, 1917

Andover Theological Seminary has become affiliated with The Newton Theological Institution to form the new Andover Newton Theological School which is located at Newton Centre, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provided for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

The Andover Newton Theological School in affiliation with Harvard gives the students the privilege of taking any work in Harvard open to theological students and without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B. D., S. T. M., and M. R. E. The B. D. is granted after three years' study to students who have had a college course. The M. R. E. is granted to students with similar preparation after two years' study. The S. T. M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

For catalog and further information address the President or the Dean.

**THE CHICAGO THEOLOGICAL SEMINARY**

5757 University Avenue, Chicago 37, Illinois

The Chicago Theological Seminary was established in 1855 to furnish training for Christian leadership according to the highest academic standards. It has been a pioneer in the introduction into the theological curriculum of several unique features designed to meet the changing spiritual needs of succeeding generations. For example, Dr. Graham Taylor was called to the chair of Christian Economics when such a professorship was practically unknown. Recent developments have been in the fields of research in personality problems; in studies of the city and rural churches; in culture through art and drama, literature and music; and in the supervision of the practical work of students with a view to their development as leaders of the institutions of religion in the modern world.

The Seminary shares in the Federated Theological Faculty of the University of Chicago, which consists of between thirty and forty teachers in all branches of theological studies. All students are also registered as university students, having full university privileges including libraries and health service. Upon approval by the director of studies, students may take courses in any part of the University. The degree of B. D. is conferred jointly by the Seminary and the University, and seminary students may also be candidates for the M. A. and Ph. D. in the University. Open on equal terms to students of all denominations and to both men and women. No racial discriminations. Valuable opportunities for laboratory experience in practical field work are provided through the Seminary's intimate connection with the Chicago Congregational Union, Merom Institute in rural Indiana, and the Council for Clinical Training of Theological Students through which students may work in the Elgin State Mental Hospital or St. Charles School for Boys.

This is a Congregational Christian school for the training of ministers, directors of religious education, missionaries and church social workers. It was founded by Congregationalists and is governed by a board of directors elected by a tri-ennial convention representing the Congregational Christian churches of the sixteen Middle Western States. The Seminary has excellent modern buildings adjacent to the University of Chicago. Generous provisions are available for scholarship aid and there are opportunities for self-help through part-time work. The Seminary will welcome names of prospective students of high school and college age and seeks to keep in touch with them in their undergraduate professional preparation.

The Administrative Council, in which responsibility rests for academic administration, consists of Albert W. Palmer, Walker M. Alderton, Robert Cashman, Mervin M. Deems, Fred Eastman, Davis Edwards, Samuel C. Kincheloe, Fred Neal, James H. Nichols, Victor Obenhaus, Wilhelm Pauck, Ross Snyder, Henry Nelson Wieman, Amos N. Wilder and Daniel Day Williams.

Dr. A. C. McGiffert, Jr., president-elect, will succeed Dr. Palmer as president on January 1, 1946.

For further information and a catalogue with complete information about entrance requirements, courses, fees and living costs, field work and requirements for graduation, address: Albert W. Palmer, President, 5757 University Avenue, Chicago 37, Illinois.

The Graduate School of Theology provides an opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Association at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained a most friendly relationship with Congregational churches and work.

*Equipment* — In September of 1931 the School of Theology moved into its present quarters. It occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle of unusual beauty and utility. The dormitory sections of this quadrangle are now occupied by a Navy V-12 Unit, but adequate facilities for housing married and single students are furnished in dormitories formerly occupied by students of the College of Arts and Sciences. Students in the School of Theology use the main library of Oberlin College which contains 442,300 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is one of the largest college libraries in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by the theological students. The gymnasium, recreation rooms, athletic fields, and tennis courts provide ample facilities for exercise.

*Terms of Admission* — College graduation and church membership are required. Men and women of any denomination or race are admitted. This year 16 denominations are represented in the student body.

*Degrees in Course* — The degrees of Master of Arts, Bachelor of Divinity, and Master of Sacred Theology are given. Work toward these degrees is had in courses chosen from a broad range of offerings designed to provide the most adequate training for parish service at home and abroad.

*Special Assets* — Students in the Graduate School of Theology have the advantage of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library, and an excellent collection of paintings and other art objects. Living expense is moderate and scholarships with the opportunities for self-help in the community make complete self-support possible.

For catalog and further information, address the Dean.

## THE COMMITTEE FOR WAR VICTIMS AND SERVICES

289 Fourth Avenue, New York 10, N. Y.

Boynton Merrill, D.D., Chairman  
 Kirk Smith, Chairman, Executive Committee  
 Elbert A. Harvey, Treasurer  
 Mrs. Edward T. Willson, Executive Secretary

The Committee gratefully lists below contributions from churches and individual gifts received during the year January 10, 1944 to January 10, 1945.

It should be remembered that many churches in war camp and war industry areas are providing emergency services which have the effect of limiting their contributions to the Committee.

The churches starred (\*) are enrolled in the Year of Sacrificial Giving. Those double starred (\*\*) have 10 per cent or more of their members enrolled in the Year of Sacrificial Giving or are making total contributions which would be equal to a 10 per cent enrollment.

## ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1945, and cover the year 1944. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not* a *postal guide*. For addresses of ministers and clerks refer to alphabetical lists in the back of the book, Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, *e.g.*, Newton, **West**, signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained

"Ab." — Absentee

"Cld." — Called

"C." — Confession

"Ma." — Male

"D." — Death

"To." or "T." — Total

"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

[] Around a pastor's name signify he is not in full standing as a Congregational or Christian minister, nor a denominational licentiate, nor an approved lay preacher.

i Pastor installed by Council.

§ For address see alphabetical list.

r Pastor recognized by Council.

— No answer can be given.

m Approximate number of men.

c Sunday School membership includes Cradle Roll.

# Contribution amounts to less than 50 cents.

\* Value of church property includes parsonage.

★ Per Capita paid in full by church. (See page 272 for record of your state).

|| When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. Cost of new buildings and improvements paid for during 1944 are not included, but churches which report this item are listed by church number at end of each conference schedule.

"Budgeted Apportionment": gifts for regular work of the denomination. "Unbudgeted Apportionment": gifts for projects *authorized* by the national boards and the states, which are *not* included in their budgets (*i.e.* Christmas Fund for Ministerial Relief). "Other Gifts": contributions made for objects *outside* the regular work and for authorized appeals (*i.e.* scholarships, mission boxes, local welfare work, Red Cross). Contributions to the Committee for War Victims and Services are listed in "Other Gifts" column and a complete report by churches is given on pages 55-74.

The Women's Sacrificial Gift is included in the apportionment columns of each state. The Unit Plan and Debt of Honor contributions are included under "Unbudgeted Apportionment." The state record of these gifts appears on page 270. The apportionment figures in the schedules are those reported by the state treasurers.

A Summary of the German Conference appears on page 106. The churches constituting this Conference are recorded, together with their statistical data, in the various state conferences with which they hold fellowship.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

## ANSWERS TO QUESTIONS ABOUT BENEVOLENCES

### WHAT IS INCLUDED IN THE TERM "BENEVOLENCES"?

All gifts (from Churches, Sunday Schools, Young People's Societies, Missionary Societies, other organizations in the church and from individuals) for the work of the denomination as represented by the State Conference, American Board, Board of Home Missions, Annuity Fund, Council for Social Action and other denominational agencies.

### HOW ARE BENEVOLENCES CLASSIFIED?

As Budgeted Apportionment, Unbudgeted Apportionment and Other Gifts.

### WHAT IS BUDGETED APPORTIONMENT?

The several Congregational Societies make up their budgets for the year, anticipating estimated receipts from benevolences. All gifts, whether from living individuals or from organizations for the *regular budgets* of the agencies sharing in the apportionment plan, are credited to Budgeted Apportionment.

### WHAT IS UNBUDGETED APPORTIONMENT?

All gifts whether from living individuals or from organizations for objects *specifically authorized* by the directors of a society or conference intended to cover needs of said societies and conferences, but outside the regular budgeted work, are credited to Unbudgeted Apportionment.

### WHAT ARE "OTHER GIFTS"?

All gifts whether from individuals or from organizations for work outside the regular budgets and the authorized appeals of the Societies and Conferences. Sometimes responses to the appeals of missionaries for improvement, extension of work, scholarships and personal needs not authorized by the directors of a society or conference. "Other Gifts" may be reported to the State office and credited to the church, in the Year Book, in the column "Other Gifts".

### WHAT IS THE APPORTIONMENT FOR EACH CHURCH?

The term applied to the total it seeks to obtain or which the Conference has requested it to raise. It is also the term for the amount reported in the Year Book as actually contributed.

### HOW IS THIS APPORTIONMENT OBTAINED?

Through pledges. Through budgeting by the church. Through special contributions.

### WHAT DOES THE CHURCH TREASURER DO WITH THE APPORTIONMENT MONEY?

Sends it to the State or District headquarters at regular intervals, monthly or quarterly.

### WHY IS THE MONEY SENT TO THE CONFERENCE OFFICE RATHER THAN DIRECT TO THE SOCIETIES?

Because the State offices keep the church-by-church records of apportionment giving and are responsible for the annual report for the Year Book.

### WHAT IS THE APPORTIONMENT YEAR?

The calendar year with ten days grace allowed. All remittances should be in the State office by January 10th.

### WHEN FORWARDING MONEY TO THE CONFERENCE OFFICE IS IT NECESSARY TO DESIGNATE PARTICULAR SOCIETIES?

No, except in the case of designated gifts. The division is made by the Conference on the agreed percentage.

### WHAT ARE DESIGNATED GIFTS?

Gifts specified for a particular Society or purpose. The Conference office should be advised of the designation. Credit is given as Budgeted, Unbudgeted or "Other Gifts" depending upon the classification.

### WHAT INFORMATION SHOULD BE GIVEN FOR DESIGNATED GIFTS?

The amount. For what Society. For what purpose or object.

### WHAT HAPPENS WHEN GIFTS ARE SENT DIRECTLY TO THE SOCIETIES?

The Societies report these gifts to the State office and if the *church* has been mentioned, credit is given. If no church is named, credit is given to the *State* under "Gifts — Church undesignated."

### WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE MISSIONARY CONFERENCES AND DISTRICTS?

The State office makes remittances, usually monthly, sending 32% to Boston for the American Board and 68% to New York for the Board of Home Missions, Annuity Fund and Council for Social Action.

### WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE SELF-SUPPORTING STATES?

The Superintendent or Treasurer makes remittances to the Boston and New York headquarters, based on the division determined by the Conference.

### WHAT IS THE RECOMMENDED DIVISION OF BUDGETED APPORTIONMENT?

While the percentages for State, Home and Foreign work differ in the several states, the division recommended by the Executive Committee of the General Council, for budgeted apportionment, when the total is considered, is at present as follows:

States . . . . .	32%
American Board . . . . .	32%
Board of Home Missions . . . . .	25%
Annuity Fund . . . . .	7%
Council Social Action . . . . .	4%

## FELLOWSHIP (PER CAPITA) DUES

The Per Capita contribution requested of each church may be considered as a denominational membership fee for the church. The amount each church is asked to pay for the expenses of the denominational agencies (Association, Conference, and Council) is determined by the total membership of the church as reported in the Year Book, — so many cents per member per year. This figure is uniform per member for all the churches of each State or Association.

## WHAT IS THE PER CAPITA?

The Per Capita is the free contribution of the Congregational Christian Churches for the administrative expenses of the Associations, the Conferences and the General Council.

## STRUCTURE OF THE NATIONAL ORGANIZATION

The vast and varied forces of the Congregational Christian Churches are coordinated into an effective unity by a simple organization comparable in outward form to the political organization of the United States. The Association, as it is usually called, roughly corresponds to the county, the Conference to the state, and the General Council to the federal government — except that none of these bodies has authority over any other. The whole is held together by sheer loyalty and the joy of fellowship in Jesus Christ.

The General Council maintains a national office in New York. See pages 5–13; for Treasurer's report, see page 10. This office attends to the gathering of national statistics and the issuance of the national Year Book. It serves also as a national clearing house for the Conferences and Mission Boards, and its officers are available for advice and counsel to churches and individuals. It represents the communion in interdenominational and international religious bodies, and in its relations with governmental and other secular agencies. The Council names denominational Commissions and Committees and assigns them their tasks.

The cost of administering these activities in behalf of the churches rests upon the churches themselves. The Council is not, as such, a missionary agency and in consequence receives nothing from the missionary giving of the churches, sometimes known as the Apportionment.

## METHOD OF GIVING

The amount each church is asked to contribute is based on the number of church members reported in this Year Book, as voted by the General Council, the Conferences and the Associations.

Annually the treasurer of each church receives a statement from the Conference office requesting the amount as voted for the "Per Capita" or "Fellowship" dues. The figure is uniform per member for all the churches of that Conference or Association. See statistical report on opposite page.

Since these funds are not for missionary work but for the expenses of the denominational organizations, they should appear in the budget of the local church as an "expense", rather than "benevolence", item along with regular expense entries for salaries, heat, light, repairs, printing, etc. Churches that have paid in full receive a star (★) in the Year Book as a mark of distinction and loyalty.

## DIVISION OF THE PER CAPITA GIFTS

The General Council requests six cents per member per annum for its administrative expense. It requests an additional one cent per member to meet its obligations for interdenominational work. This cent supports (1) the International Council of Congregational Churches, the world-wide organization in which the Congregational Christian Churches are partners and which is to hold a meeting in the United States as soon as world conditions permit, (2) the World Council of Churches, and (3) the Federal Council of Churches of Christ in America.

Most Conferences also set aside one cent per member per annum as a "mileage fund" to assist in paying the expenses of their delegates to the meetings of the General Council.

## THE RESPONSIBILITY OF FREEDOM

It is gratifying that, while the Per Capita is a wholly voluntary contribution, the loyalty of the churches to their free Congregational Christian fellowship makes the payment as dependable as the dues which are obligatory in other organizations. No penalty is attached for failure to pay, but prompt, full and cheerful payments are the rule because the churches regard them as a token of their belief in the ideals for which they and their sister churches stand. "We give not because we must but because we may."

# PASTORS OF CONGREGATIONAL CHRISTIAN CHURCHES

## NOT MEMBERS OF ASSOCIATIONS OR CONFERENCES AND

### LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A new status, "approbation as lay preacher," is reported by a few states. The list also includes the names of all licentiates reported by state registrars whether or not they are serving churches. The Association to which a Congregational Christian licentiate belongs is noted as follows: "*Lic.-Chi.*" (licensed by the Chicago Association of the Illinois Conference), or "*Lic.-Conf.*" (licensed by state Conference). The abbreviations following the word "*Lic.-*" refer to Associations, the key to which may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y., or to the state offices. Note: The state, as well as the Association, is given when a licentiate lives outside the Conference which holds his standing. The designation "*Lic.*," without further letters in italics, is applied to those whose standing has not been verified by any Association.

A list of candidates for the ministry, who are in care of a local Association, is appended to this list.

## CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational, Christian or Congregational-Christian ministers or of ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational-Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (—) if ordination date had not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. If the pastor is not in the schedule of the state in which he lives, he may have made a recent change in pastorate. Page numbers are given for those whose names appear on pages 7-39, and in the Necrology, pages 40-54, and in the record of 1944 Ordinations, pages 275-276.

An asterisk (\*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.

Names of persons variously employed are indicated as follows: *A.B.C.F.M.*, see American Board of Commissioners for Foreign Missions, pages 320-323; *asso. p.*, associate pastor; *asst. p.*, assistant pastor; *bus.*, business; *Ch.*, chaplain; *coll. p.*, college pastor; *Dean*; *Dir. # A STATEMENT . . .

## *by Five Christian Colleges*

### THAT WE MAY BE FREE

Economic and political liberty are neither valid nor lasting without intellectual and spiritual freedom.

Intellectual and spiritual freedom are possible only if we hold to the heritage of the ages and vitalize that heritage by a lively sense of the needs of the present.

Therefore we reiterate our faith in Christian liberal education and hold that it is our function:

- ▶ 1. To perpetuate our cultural heritage.
- ▶ 2. To train minds to think objectively.
- ▶ 3. To teach the value of self-discipline.
- ▶ 4. To fight ignorance, bigotry, prejudice and cynicism.
- ▶ 5. To stimulate appreciation of beauty in all its forms.
- ▶ 6. To instil reverence.
- ▶ 7. To awaken students to their power for good and to make them aware of their responsibilities to society.
- ▶ 8. To give the general education necessary for leadership in profession and avocation.

Through our portals pass many of the youth of today who will help to make possible a better world for tomorrow.

Elon College, North Carolina

"Our whole curriculum is community-centered," is the philosophy of this institution, which is making an educational experiment that is being watched by educators of the whole country. This experiment provides a high degree of individual attention to the student's individual problems; a "bloc plan" of study instead of the usual concurrent program of varied subjects, and an intensive use of visual teaching aids.

# OLIVET COLLEGE

## *A Significant Experiment in Christian Democracy*

OLIVET COLLEGE is a small, co-educational, Christian College of Liberal Arts and Sciences — liberal, because it offers opportunity for unrestricted study in any field of human knowledge afforded by the curriculum; Christian, because it attempts to guide the student to those principles and standards considered as the Christian way of life.

It seeks the development of the ability to think critically and rationally, and the acquisition of an emotional maturity and disciplined intelligence. It is concerned especially with the values inherent in the democratic concept of life.

These ends require an unusual academic program. *For further information about this, address:*

## Plastics take their place in Church Lighting

Rambusch Lantern No. 26-G-165, first made for St. Francis of Assisi Church, New York City, has proved so popular that mass production methods are being installed. Costs are down to one-half and shipping costs are down even more. This lantern marks a new development in the science of church interior illumination in that it departs from the use of metal framework and adopts a more practical and serviceable material. The new lantern frames are made from a ligno-cellulose product which is durable, non-corrosive, easy to transport, assemble and install. The new diffusing material is plastic. It is shipped in flat sheets and bent into cylindrical form during assembly.

"**DR. JOHN EWING**"—The two decades after the election of Dr. John Ewing, minister of the First Presbyterian Church and Provost of the College of Philadelphia, as President of the Fund in 1767, were most difficult. The Revolutionary War brought depreciated currency and the uncertainty of the entire economic structure. The Presbyterian Ministers' Fund emerged triumphantly from every other era of war financing in the history of America.

THIS FUND, which has withstood every economic crisis in our national life and has served the clergy generously and faithfully through more than 228 years recommends, out of its abundant experience with a minister's financial problems, life insurance as the most practical way to combat inflation and provide financial security in the Post-War World.
